Profile

Hi, I'm Muhammad Talha — a passionate and motivated individual currently pursuing Bachelor's in Computer Science at Bahria University Islamabad. With a strong foundation in software development and a keen interest in building real-world applications, I strive to turn ideas into impactful digital solutions.

Academic Background:

I'm currently in my 3rd year of studies at Bahria University, where I've gained a solid understanding of core computer science concepts like data structures, algorithms, object-oriented programming, and software engineering. I actively participate in projects, coding competitions, and tech communities to sharpen my skills.

Skills & Tools:

Programming Languages: Dart, C++, Python

Mobile Development: Flutter, Firebase, Android Studio

Web Development: HTML, CSS, JavaScript

Tools & Others: Git, GitHub, REST APIs, Figma

Work Experience:

I've completed internships and personal projects where I:

Developed cross-platform mobile apps using Flutter

Designed clean and responsive UIs

Integrated backend APIs and managed real-time data

Collaborated with teams using version control and Agile methods

Projects:

Worked on several applications including quiz apps, login systems, and UI clones using Flutter, showcasing both my front-end and back-end development skills.

I'm always looking to learn, grow, and contribute to exciting opportunities in the tech industry. Whether it's an internship, freelance project, or collaboration, I'm open to connecting and creating something meaningful.

Let's connect and build something awesome together!

Internships

Android App Development, Digital Empowerment Network, Islamabad

JULY 2023 — AUGUST 2023

Education

BS(CS), Bahria University, Islamabad

SEPTEMBER 2022 — JANUARY 2027

Intermediate, OPF Boys College, Islamabad
